Indian Institute of Science, Bangalore

2499. SHRI K. GOPALAN: Will the Minister of EDUCATION be pleased to state:

(a) whether there is any proposal to provide the Indian Institute of Science, Bangalore with a super computer; if so, what will be its cost and the expected life of the computer;

(b) the total number of students as on date, on the rolls of the Institute, the number of students admitted to the school this year, State-wise;

(c) the number of SC|ST students there as at present, those admitted this year to the Institute, year-wise, SC|ST students on the rolls and those admitted to various programmes during the last three years;

(d) the number of students doing computer course during the last three years, year wise: and

(e) whether there is any proposal to introduce MCA programme at the institute; if not, the reasons therefor?

THE MINISTER OF EDUCATION (SHRI K. C. PANT): (a) Yes, Sir. The cost of the computer alone is expected to be around to Rs. 39 crores. The physical life of the computer is expected to be 10 years.

(b) The admissions to the various programmes of the Institute are based on examinations interviews conducted on All-India basis and not State-wise. At present, 1,325 students, Including 426 admitted during 1985, are on the rolls of the Institute.

(c) and (d) Statement is annexed.

(e) There is no proposal to introduce MCA programme at the Institute. However, the Institute is running Post-graduate Courses in (1) Computer, Science and Engineering; and (2) Systems Science and Automation.
